YOUR PTA

Whether you're a **parent, carer**, or part of the amazing **staff** at Churchfields, we're so glad to have you with us! You're part of a friendly community that's all about supporting our children and making school life the best it can be, for everyone.

The PTA is a great way to **get involved**, meet other families, and **help shape the experiences** our kids have both in and out of the classroom. Whether you've got a few minutes to spare or want to dive into a project, **there's always room** for your ideas, energy, and voice.

Thanks to **your support**, last year the PTA was proud to fund items including a new **Forest School** shelter, the celebration of **Culture Week**, classroom **Chromebooks**, and other initiatives.

Our PTA is entirely **volunteer-led**, and its impact is made possible by the generosity and involvement of **families like yours**.

WHY VOLUNTEER WITH THE PTA?

- **A Sense of Reward**
Volunteers find it rewarding to contribute directly to the life of the school and its community. PTA efforts directly fund resources and experiences that benefit all students.
- **Inspire your Children**
Pupils genuinely enjoy seeing their parents or carers actively involved in school activities; it fosters pride and a stronger sense of belonging.
- **Connect and Collaborate**
Volunteering offers a chance to build relationships, share ideas, and enjoy working alongside other parents in a supportive environment.
- **Stay Engaged with School Life**
Being involved helps you feel more connected to the school's culture, events, and everyday experiences.
- **Grow Personally and Professionally**
Volunteering can enhance confidence, develop new skills, and provide opportunities to apply your expertise in meaningful ways.
- **Make a Tangible Impact**
Bringing a wider range of perspectives, traditions, and ideas, helping the school community feel more inclusive and representative of its families.

Let's make a change.

Please look out for further information about our upcoming committee meeting and volunteering opportunities.
