14th November 2025

Dear Churchfields Families,

We've had a great week with lots going on. The **PTA discos** were a great success and are increasingly popular – we will be looking at how we can increase the number of tickets so that all children who want to come can dance the night away next time.

A massive thank you as always to the volunteers who did so much work in the background from token sales, organising and bagging up snacks, decorating, supervising and more. Hours and hours of work! Please do **get involved** however you can to keep these events happening!

On Saturday our Year 5 and 6 Cross Country runner competed in the borough **cross country** at Crystal Palace Park. They ran the 2km course very well, supported each other and were so proud whether they came 41st or 255th. Thank you to the staff who have helped the children train, race on the day and especially Mrs Wakefield who ran the course with one of her pupils! We hosted Farnborough's netball team and Stewart Fleming's boys' football team on Tuesday and although we lost both matches it was a great experience with lots of support for all of the players. Next week there will be matches in **netball (away) and football (home)** as well as the **Bromley swimming gala**.

On **Friday 28th November, children can come to school in their own clothes**. If you would like to donate a bottle for the bottle raffle stall at the Christmas Fair this is voluntary and very gratefully received. It can be a bottle of anything (unopened and in date if it is food/drink). The PTA will collect the donations from the children's classrooms on the morning of Friday 28th.

Details about the **Christmas Fair on Saturday 29th November** are below, we do hope that you can all come along, it is also open to the public, and enjoy the event together!
Have a great weekend,

Sarah Atherton, Headteacher

Anti-Bullying Week

We had a very successful anti-bullying week with lots of odd socks on Monday, great discussion and involvement in PSHE lessons and assemblies about how to use our '**Power for Good**' and a positive parent forum.

If you would like to **share your views or ideas** about antibullying, please do online [CLICK HERE](#). We have reviewed our strategies in our new and improved policy which you can see [here](#) - this sets out what bullying is (as opposed to relational conflict), what is in place to prevent bullying and what happens when there is suspected or confirmed bullying. Our next step is to establish an **anti-bullying council** for children to help us further improve the anti-bullying culture of the school.

Timestables Rockstars Competition

As part of our commitment to make maths exciting and high profile in our school, we are taking part in a friendly competition involving schools in England.

The competition runs from 7.30am to 7.30pm daily from Tuesday 18th November until Thursday 20th November. It's all done online Via <https://play.ttrockstars.com/>. Good Luck!

Amazing Achievements

Congratulations to Ellie in Hazel who passed her Pony Club D test at half term.

She is very proud and so are we!

Maddie from Cherry competed in her first national gymnastics competition at the weekend and came first in the Floor category.

Well done!

Nano, Micro, Mini and Junior Duke Awards

To encourage independence, confidence, resilience and self-motivation, our school is offering an Award called the Junior Duke Award. There are ten levels, one per year group, named: the Nano Duke, Micro Duke, Mini Duke, Junior Duke and Senior Duke Awards. These are all aimed at helping children from the age of 3 to 13 to learn a large variety of life skills as well as broadening their horizons and understanding others' cultures.

Each of these levels has a selection of challenges and, in order to complete a level, your child will need to finish a pre-determined number of these successfully. Each level includes skills such as: First Aid, ICT, Eco Awareness, Drama, Risk Management, Sport and other life skills such as Cookery and maybe even Fire Building.

Your child will be given some of the necessary skills in school, but most of the challenges will require a good deal of time and effort outside of school with friends and family. On completion of a level, a well-earned certificate and badge will be awarded. Your child should aim to finish their challenges by the end of the school year.

Each child will need a printed workbook which we will order through the school that costs £10 and covers all of the tasks for the year. If your child is entitled to Pupil Premium/registered for benefits related free school meals, we will cover the costs of this for you using the Pupil Premium funding.

If you would like to find out more, there is a video for parents [click here](#) and a two page information sheet [click here](#).

If you would like to sign your child up for the Duke Awards, please complete the form [click here](#) by **Friday 28th November**.
