## In assembly this week – Autism Awareness and Williams Syndrome:

We have learned about Autism and Williams Syndrome this week, both of which affect children in our school. We have been learning over the year about the lives of different people whose brains or bodies affects the way they think, communicate or act. As we heard in assembly, children themselves have said "We need friends who are willing to take the time to learn." We can all be those friends!

## Amazing Achievements

Kobi in Hickory won a competition through the Palace for Life Foundation PE training day. He got match tickets to Tuesday night's game at Selhurst and a match day tour, meeting lots of players and seeing the FA cup!

Our number one priority is to ensure that all children and adults are safe. If you are worried about something or if you are worried about someone else, you can talk to ANYONE who works for the school.

Safeguarding is the responsibility of EVERYONE. Childline: 0800 1111
